

Year Five Newsletter

Our Topic this half term will be Trade. This term the children will have PE on a Monday. PE kits can be brought in on a Monday and left at school (we may do extra PE sessions on other days throughout the term). Please make sure all children's clothes are labelled so we can reunite any lost clothes with their owner!

Children will have forest school on a Wednesday morning. A letter was sent home in May outlining what clothes are needed for this. Children will need spare shoes if it is muddy.

Please ensure that your child has a water bottle in school with them every day. This is particularly important during the hot weather. Children will need their own sun cream and sun hats during hot weather too.

Many thanks for your support,

Miss Slattery, Sue and Wendy
