

Hurley Primary Autumn Term Clubs

We are looking forward to reintroducing our wide range of clubs at Hurley Primary School this term whilst also continuing to offer additional learning clubs for selected children in the junior classes and for all of Year 6. Further information about the learning clubs will follow in separate letters. All of the clubs below will commence the week beginning the 20th September. Cost

As a school, we contribute significantly towards the cost of running the clubs but in order to keep these financially viable, there will be a small cost to most parents. This is £1 a session which offers incredible value. We will continue to support children in receipt of free school meals (not universal free school meals for infants) and there will be no cost for these children. Payment will be made in blocks for a term's worth of clubs. There is no charge for any of the learning clubs.

Payment of £8 needs to be made before your child starts a club. Refunds will only be made if school cancels any clubs due to staff illness or poor weather, etc. Parents of children who start a club but stop attending will not be able to claim a refund.

Parents will need to collect children from the bottom playground at 4.30pm. Please don't enter the playground earlier than 4.25 as some clubs may still be running at this time.

Requesting a Place

In order to request a place in each club, you will need to fill in the online form by following this link:

The deadline for making a request is Wednesday 15th September. Most clubs have a limited number of places and these will be allocated on a first-come, first-served basis.

We will be in contact to let parents know which clubs their children have places in.
