

# Year One Newsletter

## Spring Term

*Hello and welcome to the Spring Term of Year One!*

*Topics for Spring will be Scrumdiddliumptious and Jet Setters. The first topic is based around food from around the world and the next topic will be researching more about holidays in the past. We will be linking learning in English to these Geography and History topics.*

*The following notices are to make you aware of things coming up during the following weeks:*

*Please make sure sharing and reading books are in school every day so that they can be changed, when necessary. We would appreciate home/school diaries to be available in school, every day. The children are doing really well at remembering to put their books in the right place every morning, which is very pleasing.*

*Please ensure PE kits are in school all week and all uniform and kit are labelled clearly with your child's name. We are experiencing some difficulties with this as Tuesdays/Wednesdays, some pupils attend after-school sports clubs and go home in their kits. Please stick them back in their school bags ready for the next day, if you can. That would help us all so much. Thank you.*

*We have been really pleased to see how children and parents have enjoyed completing the homework set so far. Well done and keep it up! Shortly, we shall be sending out spellings to learn each week. There will be an informal spelling test each Friday. Each spelling will contain a phoneme learnt that week OR a tricky word children need to know for the end of Key Stage 1.*

*Thanks again for your support so far. We are looking forward to working with your child and you as we approach and go beyond the halfway point of Year One...hasn't it gone quickly?!*

*Please see below our email addresses once again if you need to make contact.*

*Take care,*

*Miss H O'Mara*
